First meeting checklist

Technology, Data, Intellectual Property and Media Law

Information to prepare

☐ Your matter and the result you seek

Describe your product, mark, data flow or publication in one sentence. State the outcome you need.

☐ A brief chronology

Note dates of bulletin publication, notice, first use, discovery of an incident or a request for delivery.

☐ Evidence of ownership or authority

Identify the registration number, licence, contract or original creation record relevant to your rights.

☐ The publication or notice

Keep the complete URL, notice and date, as well as earlier requests and replies.

☐ Confidential material

For first contact, leave out passwords, customer lists and unpublished invention details. Agree a secure transfer method with the firm.
